With Every Tool Belt Set Purchased,
Receive One (1) FREE 9501 Clip-On Pouch
(This is a $23.90 Value)

9501 Clip-On Pouch

This tough, yet lightweight Clip-On pouch offers a smart way to expand or customize fastener and small tool storage. It can be used to sub-divide larger bags, or keep multiple clip-on pouches preloaded for different jobs to switch out as needed.

The pouch clips securely to belts up to 2" wide, or to a toolbox, bag or truck interior for more organized storage.
