2026 Product Guide

Build your order!
New tiered pricing for
Spring items!
The more you order, the
more you save!

Pricing is determined by the total value of the products featured on this promo. Volume pricing tiers apply only to the items listed in this promo and cannot be combined with other products to qualify for tiered pricing.

Ends April 30th, 2026

THE MAJESTIC DIFFERENCE

Majestic's cut-resistant sleeves **empower workers to confidently handle materials and tools and reduce the risk of injury.** Whether handling glass, metal, or heavy machinery, our sleeves offer a reliable barrier against severe cuts, allowing workers to perform their tasks confidently.

Each sleeve is crafted with durable materials to meet ANSI/ISEA 105-2024 cut resistance standards, and made with 18-gauge Korplex® cut-resistant technology provide **arm and wrist protection** from cuts and lacerations.

31426-18THSO

Majestic's sleeves are designed for comfort, with features such as nylon palms, elastic bicep closures, and adjustable straps to ensure a secure fit even during high movement. These elements prevent the sleeve from shifting or rolling, allowing workers to stay focused on their tasks without distractions—whether reaching into blind spots or handling heavy equipment.

85-2107CRA In-Sight™

Unlike hydrophobic coatings that repel and spread water, **Majestic's In-Sight™ 85-2107CRA** uses **premium hydrophilic coatings** that are bonded to the lens. Similar to a microscopic sponge that absorb droplets into its material - the moisture absorbing process works to eliminate fogging almost instantly.
